Section 1. That Chapter 10, Article II, Division 5, Section 10-211(c)(2), of the City of Atlanta Code of Ordinances be amended by deleting the current language of said provision and inserting in lieu thereof new language which shall read as follows:

- i. The sale and consumption of alcoholic beverages in a special entertainment district shall only be permitted in or on the commercial facilities and shall not be permitted in or on the public facilities, including the mall facilities, except as provided herein. The term "commercial facilities" as used in this subsection means the retail food and beverage service facilities, including any common area seating facilities specifically provided for the consumption of food and beverages, which common area seating facilities are not required to be owned or leased by any particular alcoholic beverage licensee. The term "public facilities" as used in this subsection means the parking facilities, plazas, streets and sidewalks. The term "mall facilities" as used in this subsection, as such term pertains to Underground Atlanta, means those areas within Underground Atlanta commonly known as Upper Alabama Street, Lower Alabama Street, Lower Pryor Street and Kenney's Alley, including any adjacent enclosed entrance structures, escalators and elevators, service areas and loading docks.
- ii. Notwithstanding the prohibition stated herein in Section 10-211(c)(2)(i) above and in Section 10-212 of the City of Atlanta Code of Ordinances, those establishments licensed to sell alcoholic beverages which are adjacent to and which have an entrance or exit into the area within Underground Atlanta commonly known as "Kenney's Alley" are not prohibited from allowing the removal and consumption of alcoholic beverages beyond their licensed premises as long as any such alcoholic beverages which are removed or consumed beyond the premises of the licensed establishment are consumed within Kenney's Alley. Furthermore, "restaurants," as such term is defined in Section 10-1 of chapter, which are licensed to sell alcoholic beverages and which are adjacent to and which have an entrance or exit onto the portions of Upper Alabama Street which lie between Central Avenue and Pryor Street or between Pryor Street and Peachtree Street are not prohibited from allowing the removal and consumption of alcoholic beverages beyond their licensed premises as long as any such alcoholic beverages which are removed or consumed beyond the premises of the licensed establishment are only consumed within the above-described portions of Upper Alabama Street and while patrons of such licensed restaurants are seated at tables owned by the restaurant **which are completely enclosed, except for a single point of ingress and egress that is**

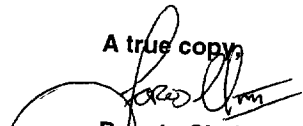

controlled by the licensee of such restaurant, by a wall, fence, shrubbery or other decorative material no less than thirty (30) inches in height. Before any alcoholic beverage may be sold or consumed in either Kenney's Alley or on the above-described portions of Upper Alabama Street, the management entity of the special entertainment district must utilize a security plan that has been approved by the Atlanta Police Department. Any time an additional restaurant which is licensed to sell alcoholic beverages leases space with an entrance or exit onto the portions of Upper Alabama Street which lie between Central Avenue and Pryor Street or between Pryor Street and Peachtree Street, and before any alcoholic beverages can be consumed off premises by patrons of the additional restaurant, the management entity of the special entertainment district must submit to the Atlanta Police Department a security plan reflecting such addition which must be utilized by the management entity of the special entertainment district upon approval by the Atlanta Police Department.

- iii. Any alcoholic beverages which are consumed in either Kenney's Alley or on the above-described portions of Upper Alabama Street shall only be provided and sold by establishments licensed to sell alcoholic beverages for on premises consumption which have either an entrance or exit into Kenney's Alley or onto the portions of Upper Alabama Street which lie between Central Avenue and Pryor Street or between Pryor Street and Peachtree Street. Any alcoholic beverages which are consumed in either Kenney's Alley or on the above-described portions of Upper Alabama Street shall be dispensed and transported only in plastic containers bearing the name of the respective licensed establishment from which the alcoholic beverage was dispensed.
- iv. Notwithstanding the definition of "premises" contained in Section 10-1 of this chapter, alcoholic beverage licensees are required to adequately supervise and monitor the areas within which their patrons are lawfully allowed to consume alcoholic beverages and the failure to do so may be grounds to deny, revoke, suspend, or refuse to renew a license, or assess a fine against any licensee in accordance with the provisions of City of Atlanta Alcohol Code Section 10-109 if such violations are found to be attributable to the licensee.
- v. Kenney's Alley and the portions of Upper Alabama Street which lie between Central Avenue and Pryor Street or between Pryor Street and Peachtree Street shall be cleared of patrons within 30 minutes after the time set by Section 10-209(c) and (d) of this chapter for the discontinuance of the sale of alcoholic beverages.
